1. At Monumental we do our best to provide as many freshly baked pastries as possible-- also working our hardest to prepare items as close to the pick up or delivery time. **Please give us 5 days notice for all catering orders.**

Furthermore, due to travel time between the bakery and your location, hot items such as bread pudding and breakfast sandwiches may be slightly different than if consumed immediately out of the oven.

If this is a concern, we are happy to provide more detailed instructions on reheating or warming particular menu items.

2. **We are a 100% peanut & tree nut facility** and are generally soy free.\* We are happy to accommodate any other allergy requests such as vegan, dairy free, egg free, or gluten free but we cannot guarantee and environment 100% free of those allergens. Please reach out to us with any questions or concerns and we will do our best to work with each customer!

3. Delivery is available on a case by case basis and will be an additional fee. Please inquire about delivery at the time of your order request!

\*sprinkles and chocolate chips contain soy lecithin.
